PURPLE AND GOLD

DEDICATION

We, the Class of 1960, gratefully dedicate this, the 1960 Purple and Gold, to Miss Marjorie Goodwin, who has given the better part of her life making Nute High an outstanding school.

We are eternally grateful for the guidance Miss Goodwin has given us through our years at Nute, and we thoroughly believe that her guidance will help make us better citizens.

CLASS HISTORY

Nute High School has been the scene of pleasant memories in the minds of all those of the class of 1960.

Entering these doors in 1955 as 8th graders, we became accustomed to life at Nute High School.

As freshmen, we were official members of Nute High. Our magazine drive was successful.

When sophomores, we received our rings, and knowledge was fast finding its way into our eager minds.

Our junior year brought forth a beautiful prom, the last in the old gym. A lightbulb sale proved very successful.

Our senior year greeted us with a new school. We leave Nute High School with a great feeling of accomplishment. "WE FINISH TO BEGIN."

NATIONAL HONOR SOCIETY

President	Albert Columbus
Vice President	Ilze Balodis
Secretary	Nancy Eldridge
Treasurer	Patricia Scott
Student Council	Donald MacIlvaine

The National Honor Society stimulates scholarship in the secondary schools of the country, and endeavors to place secondary education on higher levels. This is done in two ways. It was decided from the beginning to try to recognize character, service, leadership, and scholarship in the students of the high schools, and in so doing to try to stimulate all members of the high school to try to attain those attributes and those elements of high standing. The other way is that the National Council tries to impress on all members who are chosen and inducted into the society this feeling, that when one is elected into the National Honor Society, it is not only for his career in the secondary school, but it is for life, and that he, as a student and a graduate of the high school, going out into life, will be held to the pledge as a member of the National Honor Society, no matter where he goes, no matter what he becomes . . . to endeavor always to try to raise secondary education to higher and higher levels.
